

SWIM ESSENTIALS

At Swim Essentials, we LIVE for summer! In fact, we sell summer must-haves all year long. Our collection includes everything from large rose gold inflatable flamingos to small gold swan cupholders, designed to keep your cold drink afloat. Our objective is simple: to ensure that everyone radiates on the beach with our wide range of swimwear and inflatable products.

Established in 2017, Swim Essentials has made its mark in the realm of aquatic leisure. Our products have become a staple around swimming pools, beaches, and numerous sought-after holiday spots across Europe. Recognizable by our distinctive logo, each item carries the essence of our brand. Continuously innovating, we specialize in crafting upscale inflatable products that seamlessly blend style, quality, and functionality.

Our commitment extends beyond design, as evidenced by our in-house sewing atelier situated in 's-Hertogenbosch, adjacent to the Swim Essentials headquarters. Within this space, our dedicated team produces premium swimwear. Embracing sustainability, we strive to foster a more eco-conscious manufacturing process, contributing to a greener world.

Furthermore, our workshop serves as a platform for refugees and asylum seekers to embark on fresh beginnings within the Netherlands. At Swim Essentials, our endeavors encompass not only luxury and leisure but also empowerment and positive societal impact.

Swim Essentials initially embarked on a journey to craft bath towels. The aim was to make these towels accessible to all by ensuring both quality, style, and affordability. This initiative evolved over time, giving rise to the diverse range of products that continue to be part of our offerings.

Today, Swim Essentials is mostly renowned for its inflatable items. We prioritize products that are eye-catching, functional, suitable for children, and above all, environmentally responsible. Our inflatable products are made of 100% recyclable PVC.
